- One (1) Parent’s event per semester

II. Social Event Registration

Events are required to be registered with the IFC online through the appropriate channels seven (7) days prior to the event.

- Home football game tailgates that conclude prior to 5:00 PM do not require registration

III. Sanctions for Unregistered Social Events

An unregistered social event is considered to be a Level Two violation of IFC policy, and as such will warrant adjudication by IFC Court as described in part VI.b.i of the IFC Judicial Process Guideline.

If for some reason a question regarding the proper classification of an event or activity should still exist, it is the responsibility of that individual chapter to consult with the IFC executive council or advisor before proceeding with such an event or activity.

*The scope of what is considered a social event is ultimately subject to IFC discretion.

      attend a rescheduled fire safety education program.  
      i. If the appropriate officer(s) fail to attend the rescheduled fire safety  
         education program, the chapter will be subject to review by the IFC  
         Judicial Board Referral Committee.  

Section B. House Occupancy Sheet  
1. Standards  
   a. The house occupant information sheet is due to the Office of Greek Life  
      prior to the start of classes each fall and spring semester.  
      i. The form shall be made available to chapters by the Office of Greek  
         Life.

      Fire Marshal must accompany the City Fire Inspector during the inspection  
      and provide access to chapter property.  
   b. The chapter shall have 30 days to correct noted fire code violations. Re-  
      inspections will occur after the 30-day period (when necessary), to evaluate  
      the correction of previously cited code deficiencies. Unique deficiencies  
      may be noted during a re-inspection, requiring an additional re-inspection.  
      i. Note: Some violations may be a safety hazard which requires  
         immediate correction.  
2. Results of non-compliance  
   a. Failure to pass a fire inspection will result in a re-inspection, which shall be  
      conducted following the 30-day period after the initial inspection.  
      Re-

   ii. The chapter is reviewed by the IFC Judicial Board Referral Committee. If the Referral Committee sends the issue to IFC Judicial Board, it is recommended that one month of social probation be levied as punishment.
      1. The amount of time spent on social probation between the second consecutive failed fire drill and the successful completion of a subsequent fire drill may be retroactively counted toward the length of time on social probation that is sanctioned by IFC Judicial Board (when applicable).
