Fraternity Meal Plan Reduction Information

Fraternity members may receive a dining plan reduction if they are required to purchase an additional fraternity meal plan serving 10 meals/week at their fraternity house.

To qualify:

1. the fraternity member must have an on-campus housing assignment,
2. the fraternity member must participate in AU’s $1100 meal plan,
3. the fraternity member must also have purchased a qualifying meal plan required by their fraternity.

There is no application required for this program. The Greek Life office provides a list of qualifying members to the Campus Dining office at the conclusion of each semester. Refunds are made to the students’ Student Financial Services (eBill) accounts soon after the semester’s end.

*Students must stay in the $1100 meal plan to be eligible for a dining plan accommodation.*
