- Second place: \$100
- Third place: \$50

One Panhellenic Point is rewarded for each item contributed to a Panhellenic drive as long as it is of quality deemed by the Director of Benevolence. One Panhellenic Point is rewarded for each person in attendance to a different sorority's benefit night or philanthropy event. The host sorority does not receive Panhellenic Points for attending their own event.

Executive Board Application Process

Eligible candidates must submit applications by the stated deadline. The deadline is usually, but not always, noon on the Friday before elections. Check the application for the date. A candidate may submit more than one application if she is interested in more than one office. If a candidate submits an application for an office she is not eligible for, that application will be rejected; but she may still run for the offices she is eligible for, if any. Once the deadline has passed and a group of candidates has been vetted, no more application packets will be accepted, unless there is a situation at a later time when a position has no eligible candidates in contention. Applications will be sent as a booklet to all sitting chapter presidents and delegates.

Interview Process

Candidates should not campaign with chapter representatives in the time leading up to the elections. The time for questions and answers is at the interviews. This saves time and energy for candidates and chapter representatives. Candidates should attend the interviews. Each chapter should send their sitting president, delegate, and junior delegates, but any interested sorority member should attend. This is a good opportunity for incoming officers to learn about those women with whom they might end up working. This meeting is usually at 5:00 pm on a Monday on a night before a regularly scheduled council meeting.

At the beginning of the interview session, all women who are candidates for Panhellenic President will leave the room. Any woman who is eligible to run for Panhellenic President and has already been cleared to be a candidate because she submitted a packet for another office may choose to become a candidate for Panhellenic President. She will leave the room as well. She will receive an interview but will not be allowed to turn in an additional written packet related to the office of President.

Once all candidates for President have left the room, the woman whose last name is first alphabetically will re-enter and be seated before the council. The Panhellenic Executive Board will ask her a few questions. Then, the floor will open and anyone may ask the candidate questions related to her application, ideas, or ability to do the job. Once her questions have been answered, she will leave the room and the next candidate (alphabetically by last name) will enter. The Panhellenic Executive Board will open with the same questions as before and the floor will open again. This will continue until all candidates for President have been interviewed. Once all interviews for President have concluded, the candidates rejoin the audience.

The process for interviewing candidates will be repeated with the other five offices. Administrative Vice President is next, followed by Vice President for Recruitment, Executive Vice President, Vice President for Finance, and the Vice President for Public Relations. The Panhellenic Executive Board will not ask the same questions to every single candidate but will ask the same questions to each candidate for the same office. For example, the questions that all VP Recruitment candidates will answer will be recruitment focused while the ones that the candidates for Administrative Vice President might center around programming.

Once all interviews are complete, the interview meeting is over. The representatives from each sorority should meet to discuss. So, the President, Delegate, Junior Delegate, and anyone else present for Beta Beta Beta sorority should go back to their hall or chapter room and discuss whom their sorority should vote for.

Executive Board Compensation

The President shall receive \$333.33 per month from January through December. The remaining executive officers shall receive \$300 for each month of service from January through December. Vice Presidents, excluding the Vice President for Recruitment, who stay and work the summer months will receive \$250 for each month worked. Greek Sing Standing Rules

Greek Sing is an annual dance competition hosted by Auburn University's Panhellenic Council. This competition was created in the spirit of giving back to the Auburn-Opelika community through Habitat for Humanity. Any unsportsmanlike conduct, attitude issues, or slander will result in that chapter's disqualification. These expectations apply to both Greek Sing teams and all attendees of the event. All rules below must be adhered to by all chapters. Auburn Panhellenic reserves the right to assess situations and penalize teams accordingly.

1. The entire performance is limited to three and a half (3:30) minutes. The timer will begin with the first sound. In addition to the performance itself, each team has 30 seconds to remove anything from the stage. Each additional 10 seconds used will result in one point deducted from the chapter's final score.
2. Each chapter's performance will be judged based on overall dance ability, routine staging, transitions, difficulty, synchronization, spacing, communication and projection, overall impression, and 360-degree engagement. 360-degree engagement suggests that the performance be choreographed so that it appeals to all sides of the arena, with a suggested 25% towards the back and 75% towards the front. Judges will be stationed on each side of the arena and will score the dance appropriately according to the chapter's assigned front side.
 - a. The judges on the back of the performance will have 50% less influence on the chapter's Communication and Projection score in the Overall Effect section of the score than the front judges' Overall Effect score.
 - b. Score sheets will not be released.
3. Penalties will be deducted from the chapter's final score. Penalties that can be deducted during a chapter's performance include additional time needed to remove anything from the stage, the use of unapproved props, dancers leaving the stage before the performance is complete, and props left off the stage after the performance. Pre-decided penalties include failure to attend meetings, failure to have two representatives attend Habitat for Humanity workdays, failure to have 100 members attend the CrowdChange Drive Days, and failure to submit receipts/budget on time.
4. Event tickets will be \$10 if preordered and \$12 if purchased at the door. Live stream tickets will be \$10.
5. A non-refundable entry fee of \$150 per chapter will be paid by each chapter. An additional \$100 fee will be charged to chapters that choose to withdraw from the competition.
6. Seating will be determined by Appendix 1.
7. The Director and Assistant Director of Greek Sing will share a meeting schedule at the beginning of the spring semester. Chapter Greek Sing Chairs must attend all meetings on this schedule. If the Greek Sing Chairs are not able to attend, they must send a substitute from their chapter to attend in their place. Failure to have a chapter representative attend a meeting will result in a deduction of one point from that chapter's final score.
 - a. The Director and Assistant Director of Greek Sing have the right to call emergency meetings if necessary

8. A chapter's Greek Sing team may range from 20-40 active members. Tryouts may be hosted for Greek Sing; however, no chapter can require any member to participate.
 - a. A list of team participants' names, phone numbers, and auburn emails must be turned in to the Director and Assistant Director of Greek Sing.
9. The order of selection for themes and songs will be decided through a random number drawing during meeting two.
 - a. A song may not be played more than two times throughout the entire show.
 - b. If a chapter's theme or songs are rejected for any reason, a one-week grace period will be given to plan for a new theme or to select new music.
10. All Greek Sing dances must be completely original. If a chapter is found using a non-member or inactive member as a choreographer prior to the competition, they will be disqualified from performing at Greek Sing that year and the following year. If a chapter is found to have used a choreographer after that year's competition, any awards will be revoked, and the chapter will not be allowed to participate in Greek Sing the following year.
 - a. All choreography must be appropriate and represent both the chapter and the Panhellenic community well. Auburn Panhellenic reserves the right to disapprove of any choreography found inappropriate. The chapter will be notified to change their choreography before the final performance.
11. A complete set of the chapter's music and lyrics must be turned in to the Director and Assistant Director of Greek Sing by meeting three.
 - a. No obscenities, vulgarity, or suggestive language is allowed in any music used. If there is any inappropriate material, it will have to be changed.
 - b. Chapters must adhere to the set of words received and approved by the Director and Assistant Director of Greek Sing during the performance or else they will be disqualified.
12. Each chapter is required to send two representatives to each Habitat for Humanity workday. Failure to send these representatives will result in a loss of one point per occurrence from the chapter's final score.
13. The CrowdChange Drive requires 100 members in total to donate. If there are three CrowdChange Drive Days, then the chapter has three chances to get their total attendance up to 100. There is not a set number of members required per Drive Day. The total attendance will be determined by the number of donations the chapter's CrowdChange page receives over the duration of the Drive. If a chapter has less than 100 members donate to the CrowdChange Drive, then one point will be deducted from the final score.
 - a. The attendance totals will be sent to the Greek Sing Chairs at the end of the night of the CrowdChange Drive.
 - b. Members must be in-person to donate and must donate for their attendance to be recorded.
 - c. If a CrowdChange Drive Day is canceled for any reason, the Drive Day will be rescheduled within two weeks.

14. Points may be awarded back for deductions caused by a chapter's failure to attend Greek Sing Chair meetings, Habitat for Humanity workdays, and the CrowdChange Drive. Points can be awarded back if chapters raise money on their chapter's CrowdChange page beginning 14 days prior to the performance with a 7-day window to do so. The opportunity to gain back points will end at midnight 7 days prior to the performance. Points will be awarded back 6 days prior to the performance. Specific dates will be shared with the Greek Sing Chairs at meeting two. For every \$1000 raised, one point may be awarded back.
 - a. No bonus points can be gained, points can only be awarded back.
15. Chapters may not practice in Neville Arena except during dress rehearsal.
16. A practice schedule must be turned in to the Director and Assistant Director of Greek Sing.
 - a. Auburn Panhellenic reserves the right to attend any chapter's team practices.
 - b. Chapters' costumes and stunts will be approved at a practice visit. Budgets and receipts will also be due by the chapter's practice visit.
17. Chapters must complete their full performance at dress rehearsal.
18. All stunts must follow the "hips over head" rule, meaning the flyer's hips can never go over the base's head. All stunts must be approved at a practice visit by the Director and Assistant Director of Greek Sing. If a stunt is not performed successfully by the discretion of the Director and Assistant Director of Greek Sing, the stunt may not be performed during the show and may not be changed to another stunt.
19. All tumbling must be approved at dress rehearsal by the Director and Assistant Director of Greek Sing. Dancers will have the ability to practice their tumbling as many times as needed before the full performance at dress rehearsal. If a dancer does not tumble successfully during the dress rehearsal full performance, the dancer may not tumble during the show and may not change it to another form of tumbling.
20. Costumes may cost no more than \$30 per individual performing. Any clothing already owned by the individual may be worn and will be recorded as \$2 per item toward the \$30 maximum per individual. These items may include but are not limited to leggings, a white t-shirt, black pants, and dance shoes.
 - a. Costumes must be appropriate at all times. Costumes may not show stomachs, chests, or be revealingly short. All costumes must be approved by the Director and Assistant Director of Greek Sing at a practice visit.
21. Each chapter may spend no more than \$75 on props. Any prop that is being donated or is already owned must be reported and will be recorded as the cost of the item.

 - c. Dancers must be able to easily carry props on and off the stage.
 - d. Props may be left off the stage, but dancers may not leave the stage to grab props. One point will be deducted from the final score for each dancer who leaves or steps off the stage before the end of their performance.

22. All receipts will be due by each chapter's practice visit. Chapters must electronically submit all receipts as well as an itemized budget by the time of the chapter's practice visit. Failure to do so will result in a deduction of one point from the chapter's final score.
23. Chapters will deliver a gift basket to an assigned chapter the week before the performance.

Appendix 1

Greek Sing seating will be determined based on the following criteria:

33% T-shirt sales: 33 points

The percentage of T-shirt sales will be calculated based on shirts ordered versus chapter size by the most previous roster update. For example, if 300 shirts are ordered for a chapter of 300 members, the chapter will earn 100% of 33 points. Chapter T-shirt purchases may exceed the number of chapter members, but no additional points will be given towards seating.

33% Ticket sales: 33 points

The ticket sales will be based on the percentage of the chapter's most previous roster update that purchases a ticket. Parent tickets bought through the chapter can contribute to your total. If a chapter has 200 members and buys 200 tickets, the chapter will receive 100% of their points, as well as a chapter that has 150 members and purchases 100 member tickets and 50 parent tickets. Chapters may buy more than 100% of the chapter total but for seating purposes, points for tickets will not exceed 100%.

34% Panhellenic Points: 34 points

The sum of a chapter's Panhellenic Points from the previous fall semester until April 2nd of the current semester as reported by the Director of Benevolence will be counted. The percentage of 34 points towards seating a chapter gets in the Panhellenic Points category will be determined by dividing a chapter's Panhellenic Point total by the highest chapter total for that year.
